

Sustainability Governance

Our Corporate Governance structure is discussed in detail under the Corporate Governance section of this annual report. HDFC recognizes that in-house sustainability as well as the sustainability in general should be a core determinant of the housing finance operation. For this purpose, the Bank has appointed Sustainability and CSR Steering Committees, comprising of Board nominated members from the Corporate and Senior Management. These committees create a forum to discuss the importance of aligning business strategies with sustainability development practices. The committee is also responsible for policy development, planning, steering and controlling all sustainability activities and reporting to the Board. The Board along with the committees and senior management reviews the performance and compliance periodically. Bank also appoints executive/operational committees, project wise where necessary to implement sustainability related activities and CSR projects
